GET TO KNOW YOU

- What are two things you consider yourself very good at?

INTO THE BIBLE

- Have you ever considered adopting? Why would or wouldn't you do it? How is God different from you?
- Some Christians today are functional hermits (saved, but not in a church). What things are causing that trend? Why is it a mistake?
- Review the new clothes list in Colossians 3:12-14. Why do we often fail to show off our new clothes? Read Zechariah 4:6 and explain its relevance to this problem.
- Paul says in Colossians 3:14 to put love, which binds them all together in perfect unity. What could go wrong if we display the other virtues without love? Next, is it possible to over-emphasize certain of the virtues? How does love help keep them in unity?

APPLICATION

- One place where we need to wear our new clothes is in our homes! Why do we often fail there? How would it make a difference if we did wear our new clothes consistently there?
- God's characteristic of love is on display through His adoption of us. What does God need to change in you to make you love like that?
