

# Small Groups Discussion Questions

---

## **GET TO KNOW YOU**

Aside from hell and your own sin, what circumstances has Jesus rescued you from?

Have you ever witnessed a supernatural event or miracle you attribute to God?

## **INTO THE BIBLE**

**Read 1 Corinthians 8:4-13, 1 Corinthians 10:19-21, Romans 14:20-21.**

Daniel, Shadrach Meshack and Abednego kept from eating meat and food sacrificed to idols, which is pretty much everything. They radically changed their lives to be separated from the world. I realize the application of the NT, and my questions have a variance of opinions, that is the point of this exercise.

Can/should a Christian celebrate Halloween?

Can/should a Christian watch rated R movies?

Can/should a Christian listen to secular music?

If food were still sacrificed to idols, could you eat it?

Do you have personal restrictions in your life based upon principles of not worshiping false Gods?

**Read Daniel Chapter 3**

Make observations as a group. What stands out in this story? What does it mean to you? How will you apply it?

## **Application**

What fire is God calling you into in order to rescue others?
